The first flow related to the needs of the intercontinental country society, the country of the Intercontinental Society of Brazil, and the second is developed by Uniter, etc. SBT SBT In the New Bible King of King Jacobo Society Bão Casiodoro da Valera Reference, Sevá ». The oldest of the ancient translations of Tomaron as a textual basis of the Latin vulgata, the Latin vulgata, which is the text of the church in the capital. The Bible, 1966. Its dependence on the RV1909 with the leaves with numerous texts of Châ in the text, about its affirmation of its statement to all shorts. Holy Bible. Queen Vallea van Gâzâ 2004 published by the Baptist Church. From Mora, create the Bible that King James is taller to the MSS - or Pratt does not tell me what he says (the King of the Bible James), is the broken translation of Bâblica. 23] Updue Queen-Valera (RVA) The Queen of the Queen of the Queen of Partial of 1982, 2015, of 1989, with criticism in 1999, 2006 and 2015. [24], otherwise, the revision of the Bible of the main Article: Khanal Bible of Crian of Vale 1988. The Queen of the Queen and Finish3 in 1602. Queen-Value revised in 1960 (RVR1960) Queen Valra Valera in 1960 The queen of Valene reviewed the Bibs Bibs Bibs of 1960. [15] The commissioning reviewer Tuvo in carrying out observations Stones andof Spanish and Latin America. [15] All this without altering the basic meaning of the manufactured message and also preserving the style and cadence of Queen's text. [15] The type of translation of the RVR60 is formal equivalent. Before the publication of the Bear Bible, there were only partial versions of the Bible from the Hebrew and Greek languages to the Spanish; For example, the Bible of Alba and the Ferrara Bible (Old Testament) and the texts of Juan Pâ. © Rez de Pineda and Francisco de Enzinas (New Testament). How to consider that the Latin vulgata had already fulfilled its role and contained errors and changes, [6] preferred to use the translation of Sancties pagino as a secondary source (veteris et novi testamenti nova translatio, 1528), because â C eal vote of All the learned in the Hebraic language is Tenâ C. Pratt, saying: â «The version of the King James Bible adduces us with ... the incomparable model and moly of the world. We list them at the end of this página. Ruckman. The textual basis of the RVC is the Hebraic Bible Stuttgartartartensia for the Old Testament and the Textus Recep for the New Testament. [18] The RVC indicates with notes at the foot of Pigna the most notable differences between the textus receptus, The Greek New Testament of the boundary societies and the chronic text of Nestle and Aland. [18] In the RVC the divine name was replaced â â "Jehovavens" for "setem", following the example of the Septuagint. [18] The type of translation of the RVC is of a dynamic more equincia, since it seeks to present a text where the naturalness of expression predominates and to follow a modern more syntax.
